OUR SCHOOL AT WORK

Loyal to Elkhart High School and conscientious in its service, Mr. John W. Holdeman has given his best for many years to the principalship of the school. Because of the crowded conditions arising from increased enrollment, his problems and responsibilities have multiplied; but with the student in mind, and the interests of the school at heart, he has continued to be unwavering, untiring, and unselfish.

1940 SENIOR CLASS HISTORY

Still a group of bewildered, pathetic young things, the Sophomore Class of '40 was called together on October 6, 1937. It was decided that the classes would stay together until their senior year, with Mrs. Avery and Mr. Smith as sponsors. The officers elected were: *President*, George Jackson; *Vice-President*, Pete Sarantos; *Secretary*, Mary Lavrich; *Treasurer*, Jane Clark; *Social chairman*, Evangeline Blubaugh.

At the Riley basketball game the following January, the class members sold candy with the Debate Club. A Farmers'

Party, held in the cafeteria on January 22, proved successful, with games and dancing as entertainment.

In January, 1938, Jane Clark became president; George Jackson, vice-president; Mary Lavrich, secretary; Evangeline Blubaugh, treasurer; and Ruth Riblet, social chairman. On April 29, a novelty "Southern Hop" boosted the interest in class parties. Bill Miller's orchestra played for dancing, games were enjoyed, and an interesting floor show plus refreshments added attractiveness to the party.

The juniors held their first meeting of the year, September 15, 1938, and the same officers were elected to head the class: *President*, Jane Clark; *Vice-President*, George Jackson; *Secretary*, Mary Lavrich; *Treasurer*, Evangeline Blubaugh; *Social Chairmen*, Ruth Riblet and Pete Sarantos. At the Mishawaka-Elkhart football game, the juniors sold candy. They also had a complete sell-out on pins of miniature football players. These two projects added to the funds we had begun saving for the prom.

The ring and pin committee met on October 22, to select a ring to be recognized as "the Class Ring." Juniors on the committee were: Max Andress, Ruth Grauer, George Jackson, Mary Lavrich, Norma Johnston, Jane Clark, Evangeline Blubaugh, Bud Nelson, Edwin Landis, and Bernard Broadbent.

A Jolly Junior Jubilee, with a musical theme, was the idea of the party held on November 19, 1938. Besides games and dancing, a floor show was put on by members of the class.

The Junior Class met on February 2, 1939, and chose the following officers: *President*, George Jackson; *Vice-President*, Jane Clark; *Secretary*, Mary Lavrich; *Treasurer*, Dick Donovan; *Social Chairman*, Ruth Riblet and Dick Jackson. On March 10, the class play, "Agatha's Aunt" rocked the audience with laughter.

The class sold candy at a basketball game in February and also introduced the "jitney dance" which was held in the gym.

That semester the juniors entertained the seniors at the prom, held at the South Shore Inn, Lake Wawasee. The theme was a "cotton ball," carried out in the decorations and favors. Hal Denman's orchestra provided music and a floor show preceded the crowning of the King and Queen—chosen from the senior class.

As seniors, the class divided and the June Class elected these officers: *President*, George Jackson; *Vice-President*, Dick Lerner; *Secretary*, Mary Lavrich; *Treasurer*, Helen Simons; *Social chairman*, Dick Jackson. Mr. Smith acted as June class sponsor. The January officers were as follows: *President*, Jane Clark; *Vice-President*, Evangeline Blubaugh; *Secretary*, Phyllis Abel; *Treasurer*, Jack Salisbury; *Social Chairman*, Bud Nelson.

Candy was sold at the last football game this year and also at the Washington-Elkhart basketball game. A "Kid-die party," held in the cafeteria February 10, gave variety to the year's entertainment. Games, dancing, and refreshments were enjoyed by all.

The senior class was entertained at the junior prom held at the Hotel Elkhart on May 25, 1940.

The senior play "You Can't Take It With You", was given in the high school auditorium on May 9, 1940.

SOPH SNAPS

Chums bum around.
Hi there, Sophs!
Oh, Johnny, how you can love!
Cuties drape the library steps.

On the Avenue.
Smile, darn you, smile!
Lucky lad, that Erdman!
Hey, watch where you're going!

Here's Schafer, lads!
In this corner, a bookworm.
Dream on, little gal.

SOPH SNAPS

"You take the high road and I'll take the low road!"

Back from lunch.

"Aw—you know I do!"

Gad, all this fuss over one measly book!

Oh, you kid!

Wipe that smirk off your face, young man!

Aqua for the "pause that refreshes."

Cheer up, Sophs, don't you sigh. You'll be seniors bye and bye.

Boy, can those Soph "Tyrones" dish it out!

We bet Veatch tells that to every boy!

Out for air.

AND THE FRESHMEN

Freshmen . . . how we laugh at them! . . . so inexperienced . . . trying to appear at ease . . . stumbling and faltering around in the halls. But in spite of all this, these freshmen will suddenly grow up and become the dignified seniors of 1943. As is the custom of all Freshmen classes, they did not organize this year but will wait until next fall. We expect great things from this class and no doubt these freshmen will make themselves and their class well remembered in school history.

The purpose of the Art Club is to bring a little extra beauty and appreciation into our everyday lives.

A Hallowe'en party was held a Margaret Work's.

The club took a trip to Chicago to see the pictures sent by the Italian government to the Art Museum, to the Englemeyer Farm to study objects of art and garden architecture, and to the art exhibit at South Bend.

Besides their trips they had several speakers at their meetings among whom were: Miss Audrey Benner who spoke on "Little Stage Settings"; Miss Sawyer, who spoke on "Art in Rumania", and Mr. Frank Finch, the official cartoonist for the *Denver Star* and the *Rocky Mountain Post*, who spoke on "Cartooning for the Beginner" with illustrations.

No, we're not all artists, but aren't the pins cute?

The topic for debate this year was: Resolved: That the Federal Government should Own and Operate Railroads.

Twenty members of the club attended the Annual Debate Conference at Purdue, early in December.

On January 13, twenty-nine schools came to Elkhart for an invitational tournament; in spite of the bad weather attendance was good. The luncheon speaker was G. A. Goerner of the Burlington Railroad.

The Debate Squad won the county tournament and in the Indiana Debating League, they defeated Avilla to win the sectional championship and at the State Tourney, defeated Fort Wayne before losing to Shortridge of Indianapolis in the semi-finals.

Believing in the saying about, "all work and no play" they sold candy at the Kelyvn Park game and at the Jeffersonville basketball game. They also sponsored the evening performance of the Tony Sarg Marionette Shows, and participated in the school's annual magazine drive. As the year ends they are planning a big summer party to close a successful year.

All the club members give this year's debate question their attention . . .

Sproull explains it to Roy and the other club officers.

The French club held a Christmas party December 6, 1939 at the home of Rosanna Fahl. The members sang French songs and played French games.

The French, Spanish, and Latin clubs sold candy together as the basketball game January 26, 1940.

On April 9, the French club members enjoyed a party at the home of Charles Holmes.

Perhaps this is a broadcast of Spanish music that the officers and Senorita King are tuning in on.

The Spanish Club differs from most other organizations in holding meetings in the homes of the members . . . here they are photographed at Ruth Ford's.

A Hallowe'en party, the first of the monthly meetings of the Spanish Club, opened with a bang. Members arrayed a gala costumes participated in songs and games (remember bobbing for apples?).

At the next meeting each and everyone stuffed himself at a supper party (Buena comida!). Afterwards a lecture on "Life in Cuba" was enjoyed.

The December meeting celebrated the opening of the Pinata and the distribution of gifts.

The Spanish Club together with the French and Latin Clubs sold candy at the Riley basketball game

In the spring another fiesta was enjoyed by all members of the Spanish Department and their guests as a supper dance, April 12.

Refreshments were served at each meeting by the host or hostess and an assistant. Mm!

Back in 1922 when athletic contests weren't so well attended as they are now, the Howling Hundred was formed as an athletic booster club. A year later it became known as the Drum Corps. Then the name "Fighting 40" was acquired. An increase in membership changed the name to the present "Fighting 50". Again this year the "Fifty" ushered for all the home basketball and football games.

The service club ended the year's activities with its annual banquet at Bevans.

Every year the Hi-Y Club sponsors a dime line at Christmas time for a party for needy children. This year they entertained over 500 children. The balance from the dime line was used to levy various things for the Booker T. Washington Settlement.

The Hi-Y Bulletin Board outside the Elkhart High School Auditorium is also sponsored by the club.

The Club's social events included the "Candidates Caper" dance, a theatre party, a joint Girl Reserve and Hi-Y meeting, a Stag Outing, and the Father and Son Banquet.

The Club has also had many conferences throughout the year.

THE 1939-40 ORCHESTRA

The band and orchestra have been a vital part of E. H. S. music throughout the school's history. The orchestra is composed of about 70 members and the band 100. Both have won national recognition in past years.

The band, orchestra, and glee club gave a joint concert on December 15 after which a party was held in the Central Hall for those participating in the concert.

On February 8 another joint concert was given by the band and orchestra for which Gerald Lewis, concertmaster, and Lois Smith, string instructor, played a violin duet.

At the spring concert given on March 28, Mary E. Smith and George Jackson were featured in a modern dance, authorized by the band.

THE 1939-40 ORCHESTRA

Because of the band's national rating they were not required to compete in either the district or state contests, however, they sent many soloists and ensembles. The district contest was held on March 30 at Berne, Indiana; the state on April 6 at Elkhart. The band participated in the national competition at Battle Creek, Michigan, on May 17, 18, and 19.

The band has played for all home basketball and football games. Because of the outstanding reputation of the band, they were

invited to play over M. B. C. red network on April 7 from the high school auditorium.

Within these organizations are many soloists and ensembles who have been generous in providing entertainment for service clubs, churches, Sunday Evening Club, and other organizations.

The band and orchestra owe much of their success to the Music Parents Club.

THE 1939-40 RESERVE BAND

The Reserve Band is the training unit from which new players for the concert band are selected. Members of this band may work their way into the Concert or Marching Band.

In the fall and spring, emphasis is put upon marching. Part of the members of the Reserve Band participate in the High School organization and part in the one-hundred piece All City Regimental Band.

Members of this band in conjunction with Roosevelt Concert Band comprise the "Clinic" Band which played for the Northern

Indiana Band and Orchestra Director's Conference held here and went to the District Contest at Huntington and the State Contest at Whiting.

the Teachers' Meeting in the Auditorium. On April 11, they gave an assembly program.

These groups sang at various schools and churches. They also sang at the Business and Professional Women's Clubs, Women's League, Thursday Club, Hotel Elkhart, Rotary Club, Y.M.C.A., and Y.W.C.A.

On October 26, 1939, a small group participated in the South Bend Teachers' Association. They sang under the direction of Olaf Christianson.

The Vocal Department presented its annual Operetta on Friday, February 23, at 8 o'clock in the High School Auditorium.

"Jerry of Jericho Road" was selected by the group. A synopsis is as follows:

Alan O'Day, (Jim Fuller) a wealthy Easterner, desires the hand of Sandy Bank (June Cook) in marriage. Sandy rejects him because her mother, Lettice Bank (Betty Louise Wehrly) so shamelessly favors the match on account of Alan's money. In an effort to forget Sandy, Alan goes west to his ranch, which he converts into a tourist camp.

Lettice Bank, not to be thwarted, takes her husband (Harry Smith) and Sandy and follows Alan, her excuse for the venture being that she wishes to live in the open to regain her health. The little party camp on some land adjoining Alan's ranch, which turns out to be some valuable oil land owned by Geraldine Bank, (Ruth Lamsche) a niece.

Geraldine, known as Jerry, fearing arrest by the police whose station she has demolished with her aunt's automobile, hires out to Alan as a helper to hide her identity.

John Drayton, (Jack Weirich) Alan's cousin, wishing to locate Jerry for the purpose of buying her land for a syndicate of which he is a member, hires Hunter, (Lester Clark), a detective, to assist him. When he finds that Hunter is cheating so as to get the land for himself, he discharges him.

Mimi, (Kathryn Miller), a friend of John, locates Jerry at the ranch. John and Jerry form an attachment for each other, but through a twist of circumstances, Jerry is led to believe that John and Mimi are trying underhandedly to acquire her land at a profit for themselves. At a masquerade she denounces the man leaves. The next morning it is discovered that Jerry, Sandy and Hunter have disappeared; also a Mr. Bean, (Walter Hemphill) from Boston.

Later, Sandy returns and tells that Hunter, thinking she was Jerry, forced her into his car, but on finding his mistake, left her in the road and followed Mr. Bean and Jerry to Jericho.

When Jerry and Mr. Bean return, she announces that she has given him an option on her land until her papers arrive from home; but, if by that time oil has not been found, she intends to sell the land to Hunter at his price.

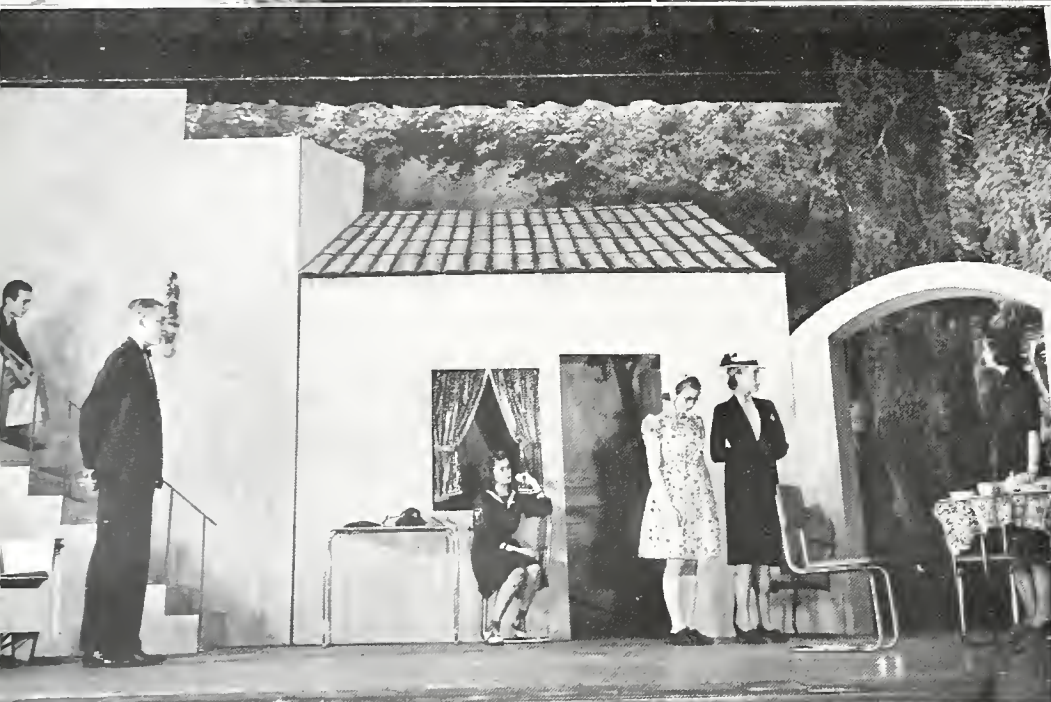

Later, when she is about to dispose of the land to Hunter, she learns that in the Spring before, a gusher had been brought in, and had been capped awaiting her decision to sell, and that in some way Hunter had discovered the fact. She also learns that Mr. Bean is president of John's syndicate and that Mimi is his wife, and that their efforts from the first have been to protect her interests.

All ends happily as Alan and Sandy forgive and forget; and Jerry, thoroughly ashamed, promises never to doubt John again.

THE JUNIORS PRESENT

"Growing Pains"

Another successful Junior Play was enjoyed when on Wednesday, March 13th, the Juniors presented the play "Growing Pains", by Aurania Ranverol. This delightful comedy, full of laughs, was about the dreaded "disease" of adolescence.

Terry and George, along with their friends were at that age when the opposite sex seemed very important. Terry nearly lost the object of her "puppy love" when Prudence Darling, a new arrival to the neighborhood, "hooked" all the boys with her line. George fell hard, but finally returned to normal when Prudence declared he was "too young." Brian woke up to her line and Terry was happy once more. Just when the future seemed bright, a new girl moved into the neighborhood, and the boys' hearts wandered once more.

THE SENIORS PRESENT

"You Can't Take It With You"

Thursday, May 9th, a large audience enjoyed the senior class presentation of the Kauffman-Hart comedy and Broadway hit "You Can't Take It With You."

The carefree, delightful Sycamore family, headed by Grandpa Vanderhof, had gradually drifted into a state in which they could get the most enjoyment out of life. The philosophy of Grandpa and of Mrs. Sycamore and her family, along with the mad Russian, the ex-iceman, and all the rest of the strange, but happy, household was that wealth means nothing compared with the joy of human affection and the pleasure of doing just what you please.

Hilarious comedy results when the fireworks go off in the basement, when the Kirbys come for dinner the wrong evening, and really get an eyefull of the erratic Sycamores.

COACHES

DON VELLER—Despite losses of his stars both in the backfield and on the line Don wound up his green team with 5 wins and 4 losses. This is Don's poorest record as a coach at E. H. S. He can hope for a much better outcome next year, however, because most of his outstanding players will be back next year.

HARRISON BERKEY—Developing something out of nothing is Berkey's meat. That's what he did this year. Practically every line position was open and Berkey developed capable boys; boys that lacked in nothing save experience, and before the season was over, proved their ability as veterans.

CHELSEA C. BOONE—"Chelse" had a good season this year. It seems he always has a good season, never any that are really bad. He again turned a fine track team although he didn't have as many individual stars as he usually has. His cross-country squad was one of the best in the state.

JOHN LONGFELLOW—Another coach hard hit by graduation. After having his "all state" five all graduate, things looked dark for this year's team. His hard work and planning finally gave him a good team, even though it did not equal those of former years.

RAYMOND SORENSON—Always consistent, "Hap" again turned out a top tennis team. His material has been good and "Hap" has developed winners out of his boys. His records are usually on the winning side.

HAROLD WISE—This coach, for one, had plenty of material. With one "All State" player returning, he had a good season. Revived, golf is fast gaining in its prominence in the athletic program, through the work of this fine coach.

LESTER KERR—Another of our new coaches, who is fast turning out "big league" ball players. The sport is fast growing popular, not only because it has long been a favorite of the athletes in our school, but also because of the earnestness of this coach.

S. A. CAMPAGNOLI—Our newest coach and a fine one. He soon proved his worth by his work with the underclassmen. He developed some fine players during last season and his pleasant personality soon made him a popular member of our popular coaching staff.

FOOTBALL

Football this year was a let down as far as previous records are concerned. However, considering the inexperience of the players, the season was good. This year's record of 5 wins and 4 losses was the poorest record made by any Veller team but it provided a chance for improvement of underclassmen and promises a "boom" year for Elkhart's favorite sport, next year.

BASKETBALL

Elkhart High's chances for a good basketball team were slim. A surprise was in store, however, when the Blazers nipped their first three rivals. For some reason they fell into a losing streak which resulted in a drastic shakeup by Coach Longfellow and a few senior members were dropped, and promising underclassmen were moved up. The Blazers wound up with a season record of 5 wins and 16 losses.

Dim sectional hopes proved true as the battling Blazer squad were edged out in the first game.

TRACK

Track hopes were somewhat questionable as the season opened. With only two outstanding stars, Brown and Stock, returning Coach Boone had plenty of worries. However, some of the understudies proved assets and the opening meet at Notre Dame Fieldhouse set the spark to a successful season.

BASEBALL

The "baby" of E.H.S. sports and one growing in popularity. With practice games in the fall and conference games in the spring (plus a grand new set of uniforms this spring) baseball gets in plenty of action, since many of the neighboring schools boast good baseball nines. Coach Kerr has plenty of natural talent in E.H.S. and he has so far provided strong contenders.

1939 FOOTBALL

ELKHART—21

FT. WAYNE CENTRAL—24

Elkhart opened the season at Fort Wayne against one of the finest teams in the state. It looked as if Elkhart was the team all the way, but then through the return of a long pass interception the Central Tigers scored their final and winning touchdown in the last minute of play. The varsity looked promising after the opener, in spite of the heat and the absence of some of the boys out with injuries.

ELKHART—39

KELVYN PARK OF CHICAGO—0

Elkhart played as their yearly out-of-state team this squad from Chicago. Coach Veller had expected a tougher game but the Blue Blazers, playing their first home game, completely outshone the visiting team. Many underclassmen were given a chance to play; Coach Veller used 52 players in the run-away victory. The victory was costly, however, as Dick Baker, first team quarterback, was injured early in the second, and lost to the squad for four weeks.

ELKHART—15

LAPORTE—7

This was Elkhart's night. It was the date of the dedication of the new stadium, and a highly-touted Laporte team was beaten before approximately 8,000 fans. Elkhart showed good form in the second half by coming from behind and holding their lead until the final gun. This was the Vellermen's first conference game and they proved that they would be strong contenders for the title.

FOOTBALL

ELKHART—18

SO. BEND RILEY—0

Performing before a capacity crowd in the feature game of the year, the Blazers defeated the ranking Wildcats from South Bend. The Blue Blazers showed up well as they downed one of their two arch rivals. There was a good show between halves as two bands from Elkhart and one from the visiting school paraded before the crowd of 10,500. Dick Donovan, Elkhart's outstanding back, sparked the Elkhart drives by a 54-yard jaunt through a broken field to sew up the game. This game helped give the Blue Blazers prestige in the eyes of the rest of the conference foes.

ELKHART—0

MISHAWAKA—6

The Blue Blazers went to Mishawaka High, highly favored to win from the Maroons, who had a less impressive record, but came out on the tail end of the 6 to 0 score. The Blazers were trying for their thirteenth conference win, on the same field where they had started their winning streak two years before. Very early in the first quarter Mishawaka scored from the Blazer's 12-yard line. The Blazers came back by blocking two of the Maroon's punts, but could not push the ball over. The game ended with Elkhart desperately throwing passes. Elkhart was slowed down considerably by the wet field; this was probably the losing factor. Captain Nelson broke his arm in the third period and was lost to the team for five weeks.

ELKHART—14

GOSHEN—0

The Elkhart team traveled to Goshen to play a highly-inspired team that gave Elkhart another hard-fought game after a lapse of about four years. Previous to this game the Blazers had won from Goshen by runaway victories. The game started on a wet field and ended in a downpour. The Red-kings played the Elkhart boys to a scoreless first half, but the Blazers came back in the third quarter with a 90-yard punt return by the spark plug of the Elkhart attack, Dick Donovan, for a touchdown. The squad showed up well after a two week layoff and played a fine all around game. Both of the Elkhart scores were in quick succession, but Goshen came back fighting all of the time. Due to the absence of Captain "Bud" Nelson, Len Tink, stellar end, was appointed acting captain.

Tape it up right, Berkey, the boys have a tough game ahead.

FOOTBALL

ELKHART—21 ROOSEVELT OF E. CHICAGO—28

The Blazers not only lost this game, with a representative from the west end of the conference, but also lost their two first team ends, Len Fink and Mike Patanelli. Fink, acting captain, was injured late in the second quarter, and Patanelli early in the third period. The Blazers led at the half 15 to 7, and came out in the second half to add another score and lead 21 to 7. However, in the second half the Rough Riders outscored the Blazers three touchdowns to one, which provided the winning margin. Elkhart outplayed the visitors throughout the whole game.

ELKHART—32

MICHIGAN CITY—0

The Elkhart team looked great as it completely swamped the Michigan City Red Devils to clinch second place in the conference standing, one point out of first place. The Blazers had only six men of the first eleven in the game but still showed plenty of power. Coach Veller used 39 men in the runaway victory and showed that next year's team has lots of promise. Six different players entered the scoring column and it looked as if another score was coming at the final gun. Acting Captain Dick Donovan again led the attack by running through the Red Devils for many long gains.

ELKHART—6

SO. BEND CENTRAL—14

The Blazers closed their football season against the Bears of Central. The Bears defeated the Blazers, but the season ended as a successful one for both schools. The Bears took an early lead and increased it in the second quarter to 14-0. The Blazers came back with a 95-yard run by George Terlep for the only Elkhart touchdown. Captain "Bud" Nelson returned to the Elkhart line-up for the first time in four weeks. The last half was fought bitterly with neither team getting another touchdown. The highlights of the game were Capt. Nelson's return and Terlep's long run.

The "Brains" seem satisfied.

BRISTOL

The inexperienced Blazer squad showed promising form in turning back the Bristol Hilltoppers in the E. H. S. gym on December 1. Taking an early lead and increasing it as the game proceeded, the Blazers were given a chance to show new material.

BENTON HARBOR

In a rough and tumble game the Blazers earned their second straight victory from the Benton Harbor team in our local gym on December 8. Both teams committed many fouls during the game. The Blazers opened the last quarter with a rally which won the game.

WABASH

The Blazers won from Wabash High School at Wabash their third consecutive game on the 9th of December. Bud Nelson, former grid casualty man, who joined the squad last week, proved to be a considerable addition to the strength of the team.

FORT WAYNE NORTH SIDE

The powerful Northsiders handed the Blue Blazers their first loss in four games on December 15 at the Fort Wayne gym. The Blazers held their own in the first half, but the talented Northsiders soon pulled away to win by a large margin.

GOSHEN

The Blazers lost to their rival Goshen High in a close game at the local gym on December 22. Coach John Longfellow's substitutes made a fine showing in the last half. Both teams used tight and defensive plays.

JEFFERSONVILLE

The Elkhart Blue Blazers were whipped by the Jeffersonville Red Devils in the E. H. S. gym on the 20th of December. It was the third loss in six starts for the inexperienced Blazer squad.

SOUTH BEND WASHINGTON

The Blazers dropped another game, to the Panthers, before a large crowd at the E. H. S. basketball gym on December 27. This was the fourth straight setback for the locals. The Blazers plainly showed lack of experience, of which the Panthers had plenty.

PLYMOUTH

The Blazer's losing streak was lengthened by the setback handed to them by the Plymouth Pilgrims at the Plymouth gym on December 28. This was the fifth straight loss of the Elkhart rookies. The Blazers were behind three points at the first half but the Pilgrims soon increased their lead to win.

MICHIGAN CITY

The Blue Blazers were defeated by the Michigan City Team in a four team invitational tournament at Valparaiso on December 30. This made the sixth straight loss for the locals. Weldy turned in a fine performance, getting six baskets.

VALPARAISO

In the evening round of the four team invitational tournament at Valparaiso the Blazers were thumped by the Valparaiso Vikings on December 30. Cornell was the high scorer for the Blazers.

LA PORTE

The Blazers were beaten by the La Porte Skeers at the Elkhart High School gym on January 2, although the game was close and once tied at 13-13. The Blazers showed improvement in ball-handling and passing against the tough competition.

MICHIGAN CITY

The Blue Blazers were defeated by the Michigan City team at Michigan City in a conference game on January 12. The teams were quite evenly paired and the game ended with an exciting finish.

WARSAW

The Warsaw Tigers edged the Blazers out in the last half after a tie at half time at the E. H. S. gym on January 13. The locals looked good, but the taller Tigers forged ahead to victory.

MISHAWAKA

In a fine performance, the Blue Blazers upset the powerful Maroons at the local gym on January 19. The Blazers displayed a clever fast-breaking brand of ball, ending their ten-game losing streak. In winning this game, the Blazers were the only team in the conference to beat the N. J. H. S. Conference Champ, Mishawaka.

HAMMOND

The mighty Hammond High Wildcats trimmed the Blue Blazers at the Hammond gym on January 20. The Elkhart scoring was divided among the players, none getting more than one basket and four men adding free throws.

SOUTH BEND RILEY

The South Bend Riley Wildcats won their first triumph over the Blue Blazers in nine straight seasons at the E. H. S. gym on January 26. Each team made seven field goals, but the Wildcats won on free throws.

NAPPANEE

Before a large crowd at the Nappanee gym, the Blazers overcame the lead of the Bulldogs with a third quarter rally on February 2. This was the Blazers second conference triumph in six games and the fifth win in seventeen season contests.

30-28

FORT WAYNE CENTRAL

The Blue Blazers lost their thirteenth game to a fast Fort Wayne Central team at the E. H. S. gym on February 9. The locals attempted a last quarter rally, but failed to overcome the visitors lead.

28-33

SOUTH BEND CENTRAL

The talented Central team handed the Blue Blazers their fifth conference loss in seven contests on February 9, at the local gym. The Blazers held Central to a tie at the first quarter, but with a fast offensive attack, the Central team opened its way to victory.

19-35

GOSHEN

The improved Goshen Redskins won their second straight game this season from the Blazers at the Goshen gym on February 16. The locals showed improvement, but not as much as the Goshen outfit. This was the Blazer's final East A. H. S. conference battle.

25-36

KENDALLVILLE

The Elkhart Blue Blazers in their final game of the regular season were defeated by the Kendallville team at their gym on February 23. All twelve certified tourney players were used by Coach Longfellow.

25-44

SECTIONAL TOURNAMENT

GOSHEN

In a very exciting opening game of the sectionals for the third time this season, the Goshen Redskins defeated the Blue Blazers, champions for the past three seasons. The game was held at the Nappanee gym on February 29. Behind 6 to 7 in the half, the locals battled up to a score of 32 to 30 with one minute to go. However, they were unable to rally enough to win.

GOLF

Golf, one of the newer sports at Elkhart, started out with a bang. Paced by Johnny Williams, state medalist, and Jim Kinney, who finished third. The Golf team finished a close second in State competition last year.

This year, with Kinney returning and with regulars "Mike" Sanderson and Clacy Eads also coming back, Coach Wise had few worries. As many boys in E. H. S. play golf, there is always competition for a place on the team. Not many schools have golf teams but those that do provide a heavy schedule for the Wisemen. This spring's schedule is as follows:

April 13	Michigan City	Here
April 20	Mishawaka	Here
April 27	South Bent Central	Erskin, South Bend
May 1	South Bend Riley	Erskin, South Bend
May 4	LaPorte	There
May 7	Dowagiac	Here
May 11	Conference Meet	LaPorte
May 18	State Tourney	Indianapolis

TENNIS

The tennis team again ended their season impressively. Coach Sorenson piloted his squad to a second place tie in conference standings with Michigan City with five wins and two losses. Despite their marred record, the racqueteers look forward to a successful spring schedule. A very promising record for next fall's team is also ahead, as only two members will graduate, leaving LeFevre and Jordan (No. 1 and 2 men respectively).

Among Elkhart foes met this spring were Culver and Howe Military Academies; and Kalamazoo, Sturgis, Dowagiac, and State High Schools, Michigan.

Scores of conference matches played in the fall of '39 are:

Elkhart	4;	LaPorte	1
Elkhart	3;	Mishawaka	2
Elkhart	5;	Nappanee	0
Elkhart	4;	Riley, South Bend	1
Elkhart	2;	Michigan City	3
Elkhart	5;	Goshen	0
Elkhart	2;	Central, South Bend	3

CROSS COUNTRY

Things looked quite gloomy for Chelsea's cross country team this year. His first five men had graduated leaving first team berths wide open. After an extensive "advertising" campaign, Coach Boone got many prospects to come out for the sport.

Soon an experimental team was organized and first put to a test against Riley which they won by an impressive score. After losing their next two games to the Michigan champs, Niles, and to the strong Fort Wayne team the harriers turned on the steam, winning five straight.

To add to their laurels they captured second place in both state and conference meets.

TRACK

The spring of 1939 brought Elkhart a good track team. With such outstanding stars as Dale Swihart, who won the state pole vaulting title, and Robert Brown and Patsy Ronzone, star dashmen, Coach C. C. Boone's worries were few and far between.

This year's team boasted only two outstanding veterans, Bob Brown and Bob Stock, who sparked the team to its many wins. However, the new faces in the distance runs and in field events proved valuable to Coach Boone and much was expected in the sectional, conference and state meets. The season's schedule that started off with a good showing at the Gary Invitational Meet at Notre Dame Fieldhouse is as follows:

TRACK SCHEDULE

April 6	Gary Invitational	at Notre Dame Fieldhouse
April 16	Warsaw	Here (postponed)
April 17	Central, South Bend	Here
April 20	Muncie Relay Meet	There
April 23	Goshen	There

April 30	Riley	There
May 4	Conference, N. I. H. S. C.	Here
May 11	Sectional	Here
May 15	South Side	Here
May 18	State Meet	Indianapolis

BASEBALL

This marks the second year for baseball as a major sport at E. H. S. Last spring was the first year in conference competition for Coach Lester Kerr and his baseball nine. With such veteran and capable guidance from Kerr, with Captain "Spic" Atwater, and with valuable assistance of pitcher "Big Bill" Hill, the team consisting of somewhat "green" talent, won three games and lost seven.

Last spring many stars had graduated. However, a few practice games showed promises of a good season in the coming spring. The main guns of the team this spring were Ken Speraw and his hitting, and pitcher, southpaw "Rube" Dunivan. This spring's schedule is as follows:

SPRING SCHEDULE FOR BASEBALL

April 16	Central, South Bend	There
April 19	Nappanee	Here
April 26	Washington, South Bend	There
April 30	LaPorte	There
May 4	Michigan City	Here

DISCOBOLUS CLUB

The Discobolus Club replaced the G.A.A. as the girl's sports club of the high school this year. The organization of this new group was handled very efficiently by our new physical education director and sponsor, Miss Josephine Lafler. This organization is open to any girl in high school, the only requirement for membership being that each girl must be an active participant in one of the sports offered each season.

Officers elected for the first semester were: Pat Baron, *President*; Phyllis Clark *Vice-President*; Dot Huss, *Secretary*; Maxine Hursh, *Treasurer*. These girls drew up a constitution for the club, which was later submitted to the members for their approval. The name "Discobolus" literally means "Discus Thrower," and in ancient Greece, where the world's most perfectly developed athletes were produced, he represented the best in bodily stature, in strength and skill. Today physical education has taken this figure nationally as their symbol, representing all sports and our club in turn has taken him for theirs. The "Discus Thrower" represents this club in all its phases and activities. Another important article of this document discusses the purpose of such an organization as this, which is: To afford to the girls of the high school the opportunity of participation, enjoyment and learning of techniques involved in a variety of sports. The points and awards clause of the constitution was purposely omitted, for these are not the aims of the club. The club's program is divided into seasonal activities. In the fall the girls are offered soccer or hockey, archery and badminton. The winter schedule includes basketball, fencing, bowling, swimming and badminton. Then come the spring sports which are tennis, archery, softball and track. With such a program the girls are completely and very efficiently served.

The club has sponsored several projects this year and has on its program a few more for this spring. The first of these projects was a jitney dance called the "Kresge Stomp." A success, it was followed by the showing of three sports reels, to which all the students were invited.

At mid-semester it had a sports banquet which the club plans to have as an annual event. Miss Lafler awarded fencing pins to Marjory Leonard and Pat Baron and announced the basketball team which was to represent the high school in the coming playday. Before the close of the evening's entertainment, the members of the club gave a pledge in unison; and their club pins, a figure of the discus thrower, were presented to them.

A basketball playday was held on January 20. Five schools were invited to participate. They were as follows: Goshen, Ligonier, Warsaw, Bremen, and South Bend Riley. The winner of the basketball tournament was Goshen, and the runner-up was Warsaw. The tournament was run off in two sessions: morning and afternoon. Luncheon was served for the visiting teams in the high school cafeteria, which was followed by an exhibition fencing meet. A two-hour interlude was enjoyed by the guests in which they were permitted to take part in such activities as badminton, volley-ball, cage ball, and dancing. The afternoon was climaxed by the showing of a sports film in the auditorium.

The club sold candy at the Goshen-Elkhart basketball game for the purpose of filling the coffers of the treasury.

On March 15th a practice fencing meet was held with St. Mary's College.

This spring a field-day was sponsored by this club in which all girls in grades five and six were invited to participate, during which various track events were run off under the supervision of the girls of the club. Awards were given to the individual winners of the events as well as to the school which won the highest number of points.

Each sport had its own problems to meet, tournaments, and socials. The girls out for basketball, for instance, were taken out by bus to the Monger School gym for all their practices, and at the close of their season had a pot-luck supper. The badminton group used the Y.W.C.A. gym and ran off a ladder tournament. The girls bowling at the Red Crown organized their own league of four teams, each vying for the high-pin average. The swimming club offered Red Cross tests and life saving on which to work—so that each group was working independently and actively.

The introduction of two new sports to the club's activities this spring is being made possible by the school board. They have plans for a hockey-field and an archery range.

The club has a trophy, the figure of a discus thrower, on which is engraved the names of the officers and sponsor for the initial year and the club motto, "A sport for every girl; every girl a good sport."

Congratulations, Class of 1940!

Elkhart is proud of you — and in like manner we hope that Elkhart will always be proud of the place occupied by Miles Laboratories in this community. For more than half a century we have striven to maintain good business standards, and to provide the world with pharmaceutical preparations which will be a credit to our home town. We try, too, to maintain pleasant conditions for the local folks who work for us in glareless daylight rooms, like those shown in the photographs above. The public is always invited to visit us.

Champions Win With CONNS

Each year in the State and National Band and Orchestra competitions CONN instruments are outstanding favorites among the Champions! This is especially true in the solo contests where ease of action, quality of tone, and trueness of pitch are contributing factors which determine the musical rating accorded the contestant. Conns are "Choice of Champions."

BETTY CORRELL

COMMITTEE MARTIN

with PHIL SPITALNY'S

Famous All-Girl "Hour of Charm" Orchestra

THINK of it! Betty graduated from Elkhart High School in June, 1939, and two months later she was on the stage of the Paramount Theatre, New York City, trombone soloist with Phil Spitalny. Proof again that ability plus the right instrument can really lead you places fast. And **this** is interesting! In her first two years of High School she played another make instrument. But not until she switched to a Martin (ask her) did she develop that electrifying beauty of tone that brought her fame at National Solo contests and school concerts. Her success speaks for itself!

"IF I WERE an editor I'd make sure of two things—first, that my editorial experience would not make me lead

a dog's life, and second, I'd not be consistently in the dog house with every one including my instructors because of my yearbook activity. My way would be to choose an outfit that does more than put their feet on my desk and pat me on the back. I'd call for Indeco service because it is complete and the best help an editor can get in producing an unusual annual within his budget. Ask the staff on this book if I'm not right."
